

## FIRMWARE GUIDE

You can update or change the firmware on the handset.  
Please download the latest firmwares from  
[https://lonelyfilms.com/semote\\_firmware.zip](https://lonelyfilms.com/semote_firmware.zip)

- » Copy the new firmwares to the Firmware folder on the SD card.
- » Power down the handset.
- » Press the upper left, the lower right blue keys and the knob at the same time.
- » Use the knob to scroll up and down in the file folder, select the file you want to use and press the knob for update.
- » Power cycle the handset to apply changes.
